## TOO ILL TO WORK

**A Mother Tells How Her Daughter Was Made Well Again by Lydia E. Pinkham's Vegetable Compound**

Philadelphia, Pa.—"At the age of sixteen my daughter was having trouble every month. She had had pains across her back and in her sides, her back would pain her so that she could not do her work and would have to lie down. My married daughter recommended Lydia E. Pinkham's Vegetable Compound. She took it faithfully and is now regular and has no pain. We recommend the Vegetable Compound and give you permission to publish this letter."—Mrs. KATIE EICHER, 4034 N. Fairhill St., Philadelphia, Pa.

Standing all day, or sitting in cramped positions and often with wet feet, young girls contract deranged conditions, and before they are hardly aware of it they develop headaches, backache, irregularities, nervousness and bearing-down pains, all of which are symptoms of woman's ills. If every mother who has a daughter suffering from such symptoms would profit by the experience of Mrs. Eicher and give Lydia E. Pinkham's Vegetable Compound a fair trial she may expect the same happy result.
